A BLANK at police court yesterday, the first for several months. THE telephone will be put in the city buildings within three days, says Manager

Two deeds of trust and one cemetery deed were admitted to record yesterday by Clerk Hook. Born the Municipal and Circuit Courts

adjourned yesterday without transacting ny business.

Albert Mars was presented with a ery large owl yesterday and has added it any business

to his museum.

WM. WEBS was badly burned about the shoulders and sides yesterday at the Riverside Mit.

JIMMY WIER was badly hurt at the Riverside Mill yesterday while at work at the machiners.

Riverside Mill yesterday while at work at the machinery. THERE WILD BE A Sacred Concert at Horn-brook's Park to-morrow. Kramer's full band will give it.

ERNEST KLEPPNER, an Eighth ward saloonist, had a double-barreled gun stolen from his place a few days ago. THE mail on the Bellaire and South-restern railroad now leaves Bellaire at :30 r. m., instead of in the morning.

MAY FISHER, daughter of August Fisher of the Eighth ward, was badly scalded yes-terday, by a boiler of hot coffee falling upon her.

on her.

One of the delivery wagons of Chris.
Behrens was badly torn up yesterday afternoon. The horse attached to it ran off
on Fifteenth street.

OFFICER Miller now patrols the Third Ward Gillespie the Fourth and Sullivan the Fifth. The other policemen remain upon their old beats.

A DRUNKEN Irishman attempted to whip several persons on La Belle street Thurs-day night, but was severely threshed by a coal digger whom he had tackled.

coal digger whom he had tackled.

John Coopes, foreman of the United Engine, had one of his ribs broken the night of the Prather fire by falling from a ladder, and was otherwise injured.

SEVERAL full blood Alderney calves were taken bown to the farm of Henry Muhleman, at Beech Hill Bottom, yesterd y morning. They were raised on the farm of M. L. Shafer, of Austin, W. Va.

arm of M. L. Shafer, of Austin, W. Va.
The committee of officers of the English
Lutheran Sabbath school and others, who
visited Chippewa Lake with a view to
their second excursion, were delighted
with the place and prospects.

The residents of South Wheeling are
circulating a pedition asking that the B. &
O. Railroad make Thirty-second and
Thirty-eighth street crossings flag stations,
in order that residents of that section can
get off at those places.

The Natural Historical Society will
meet at Stamm's Four Mile House next
Wednesday, when the question of our
drinking water will be discussed. Dr.
Ulrich read a paper before the Society on
this subject some time ago, and this article will also be discussed.

Mr. Thomas Walton, of the firm of

cie will also be discussed.

Mi. Thomas Walton, of the firm of Walton & Sweeney, has gone to Indianapolis, Ind., for the purpose of establishing an agency there for the sale of pottery and glassware. Mr. Walton is a thorough glass man, and we predict for the firm a a successful career in their new place of business.

MR. CRACKAPT made a prediction last night in Council. He says that when the amendment providing for the payment of a fixed salary to the City Sergeant goes into effect, the Sergeant will "recline lux-uriously in his own room, draw his salary with healthy regularity, and that will be the end of it."

HERE are two of the Pittsburgh graph's news items from this neighborhood: "Mrs. Warren, who shot her husband at St. Clairsville, O., was convicted band at St. Clairaville, O., was convicted of manslaughter. Sentence, ten years to the penitentiary." "Alfred Balderson, on account of poor health, committed suicide at Bellaire, O." Mrs. Warren did not shoot her husband at St. Clairaville, and she was not sentenced to the penitentiary for ten years. Mr. Balderson did not commit suicide, but took an overdose-of an epiate by mistake. So much for the Telegraph's reliability.

PRESONAL POINTS.—Alex. C. Darrah,
Esq., county clerk of Belmont county, and
Addison Thompson, deputy clerk, with
their wives, were in the city yesterday.
Capt. George M. Whitescarver, of Grafton, is in the city.
Col. Thos. H. B. Haase, Ticket Agent
B, & O. R. R. in this city, arrived home
yesterday from Colorado, very much improved in health.
Major Ran Stainaker arrived in the city
vesterday, from a trip through the interior.

ior.
Rev. J. W. Webb, of Huntington, is in the city. Mr. Webb was formerly pastor of the Fourth Street Church.
R. W. Peck, Esq., of Logan county, is in

Called Meeting Last Night-The Telphone Project Goes Through Boon -Another Loan for Current Expe

CITY COUNCIL.

This Branch was called to order by Mr. Arkle, on whose motion Alfred Cald-well was called to the chair. After considerable delay, and with police assistance, the following members were gatherid in and answered to their names about 8:30 o'clock: Acker, Arkle, Caldwell, A., Fisher, Goodfellow, Handlan, Houston, Jefferson, Kimberly, Meyers,

Pollock, Reeves, Wait and Waterhouse. The minutes of the preceding meeting were read and signed.

The resolution of the committee to which the telephone project had been referred, came up sgain. The resolution was passed by a majority at the last session. which the telephone project had been referred, came up sgaln. The resolution
was passed by a majority at the last session,
but involving an expenditure of money
was laid over. Dr. Reeves took the floor
and made a speech violently opposed to the
measure, and was followed by Mr. Arkle
in the same strain. Mr. Goodfellow made
a very telling speech in favor of the project.
The yeas and nays were demanded with
the following result: Yeas—Acker, Fisher,
Goodfellow, Handlan, Haller, Horkheimer,
Houston, Jefferson, Kimberly, Meyers,
Pollock and Wait—12. Nays—Arkle, Caldwell B. F., McNash, Reeves and Waterhouse—6. Before the vote was aunounced
Mr. Arkle changed his vote to the affirmative, so the resolution passed. By the
terms of this resolution the city will have
telephones in the City Building, water
Works, Work House and one in each Engine House, or S in all.

Dr. Reeves asked the reason why the
special committee on the Fifth ward market had never been called.

The reports of several committees which
were not reashed at the last meeting were

The reports of several committees which were not reached at the last meeting wer The Committee on Claims reported the

following resolutions:
That the City Clerk pay H. C. Hunter
\$15 in liquidation of his claim for damage to buggy and harness through carelessne of city officials.

That the Superintendent of Water Works take such steps as will be necessary to prevent the recurrence of such accidents. That the claim of Ellen Daily for \$5,000

That the claim of Ellen Daily for \$5,000 for damages alleged to have been sustained by the death of her husband, Patrick Daily, while an inmate of the workhouse be dismissed.

Mr. Wait offered a resolution authorizing the negotiation of a loan for \$7,000 to pay the bills for June, at the most favorable terms posible. Adopted.

By Waterhouse: That the salaries of W. D. English and William Mites, City Ascessors, be fixed at \$500 each for the ensuing year. Adopted.

ing year. Adopted.
William Gundling was granted permission to keep a shooting gallery at 1051 Mar-

ket street.
On motion of Mr. Pollock, Mr. Alfred Caldwell was appointed President of the Second Branch in the absence of Dr. Lo-

At 10:20 this branch adjourned.

First Branch.
The following members of the First Branch were present at roll call last night: Messrs. Cowan, Cracraft, Hall, McAdams. Wilson, Wolvington, Schambra, Simpson, Zoeckler, and Mr. Boring and Mr. Hughe appeared after the branch had been in session some time.

The Msyor read the following report, which was adopted and sent to the lower

branch:

To the Mayor and Council: To the Mayor and Council:

GENTLEMEN: Your Committee on Finance beg leave to report that they have executed the order of Council in cancelling the twenty bonds and filing the four hundred and sixteen coupons received from Messrs. List and Davenport, Commissioners of the city loan, and returned the bond books to the care of Mr. J. J. Jones, of the Exchange Bank. Your committee beg leave to offer the following:

Resolved, That the report of the Finance Committee in regard to filing the bonds and coupons of the city loan be accepted and filed.

All of which is most respectfully sub-

All of which is most respectfully sub mitted. W. B. Simpson, Chairman Finance Committee.

The report from the Committee on Wharfs was acted upon in accordance with the disposition made of it in the other Branch, except the resolution to turn the waste water from the middle to the northern end of the wharf, which was warry to the Committee on Streets. Alreferred to the Committee on Streets, Al-

leys and Grades.
The report of the Committees on Claims and Accounts was adopted, as in the Second Branch; also the Scales, Market and Health Committee's report; that of the Committee on City Prison and the Super-

The telephone resolution came up, and was unanimously adopted without discus-

ly higher barometer in the eastern portions, stationary or lower temperature.

For the Lower Lakes, clear or partly cloudy weather, westerly winds, higher barometer, nearly stationary or lower temperature.

Brautiful. Pictures.—Squire Bulger has on exhibition at his office on Market street two elegant ministures of the rival candidates for the Presidency, Garfield and Hancock. They are both marvelously well done, and speak volumes compliment ary to the artistic taste and skill of the artist, Miss Ella M. Bulger, the accomplished daughter of the Justice. To judge from the portraits, Miss Ella M. Bulger, the accomplished daughter of the Justice. To judge from the portraits, Miss Ellaw, Miss Ella

porier found Mrs. O'Donnell, who said that eight years ago, just after the fire, she contracted rheumatism in the feet, and that, after trying all kinds of remedies, some of which cost as much as two dollars a bottle, she had recently heard of the St. Jacobs Oil, and had given it a trial, the result being that a few applications changed her from a hed-ridden cripple to a strong woman, able to dance about the floor as in her youthful days,—Chicago Tribune.

Invitations will be limited.

INDUSTRIAL INTELLIGENCE

wa from the Factories, Railroads Mines and Workshops of the Garage Yesterday was pay day at the Garage

To-DAY will be pay day at the Riverside Iron Works. It is likely that the La Belle Mill will start up Monday.

A NEW blacksmith shop is being built a the Belmont Mill.

THE heaters of the Riverside Mill are The neaders of the working three-quarter turn.

The new furnace at the Central Glass Works is progressing favorably.

It is thought that the Belmont blast furnace will go into blast about August

THE State Tobacco Ware House at Bell

THE Top Mill has been running during the past week, and will continue until further notice.

THE Whittaker Iron Works are working nearly full just now, and if the weather was favoring would run full. THE boilers of the Belmont Mill go to work Monday, the heaters Tuesday and the nail factory Wednesday of next week The Etna Foundry at Bellaire is cast-ing a flattening wheel for the Window Glass Works there, which weighs 3,200

THE blast furnace at the Jefferson Iron Works, Steubenville, shut down yester-day. She will be newly lined before oper-ations are recommenced.

was induced to go to work when the others turned in and thrashed him. They de-

mand an increase of wages ranging from fifty cents to one dollar per week. lifty cents to one dollar per week.

The Buckeye Glass Works, at Martin's Ferry, after a recess of three weeks, which has been spent in snaking necessary repairs, will start up again next Monday. This company has the satisfaction of knowing that the last year's business yielded a profit of thirty per cent, clear profit, on their investment. A large amount of satisfactory orders for the coming season are already on hand.

ing season are stready on hand.

The city boiler works of J. B. Barnhill, are now doing a large amount of work. He is building three new boilers to be used in this city. One for Bodefer Bros., 20 feet long and 40 inches in diameter, and one for the Goblet Company to be used at the Ohio works, 20 feet long, 42 inches in diameter, also a locomotive boiler for the water works, 20 feet long, 48 inches in diameter, with sixty three-inch flues four-teen feet long. Mr. Barnhill reports work plenty and says he has all he can do.—

Beil Lagus is taking rank among the cities.

BELLAIRE is taking rank among the cities Bellaire is taking rank among the cities of the State as one of the fasteet-growing towns of Easterh Ohio. Since 1870 our population has all but doubled itself. Before the present census returns are fully completed and given to the world by the government, Bellaire will have more than doubled her population. This fall alone will add from 1,000 to 1,500 to the returns of the enumerators this year. The increased capacity of the Goblet works is bringing several new families to the city, as will also the extensive increase of the Window Glass Works, while the new Ætna Works have already bronght in the neignborhood Giass Works, while the new Ætina Works have already brought in the neighborhood of forty families from Wheeling and other places, and the New Union Works must bring more families, because the idle men of this city are very few just now. The increase that naturally follows these workmen, of grocerymen, saloon men and various other tradesmen will swell the population of this city very near, if not quite, to 10,000 before the end of the year 1880.—Bellaire Independent.

Invitations to the delightful moonlight acursion can be obtained from active sembers of the Harmonie-Maunerchor

"Dr. Sellers' Cough Syrup" will insure ou a good night's rest. It is the best ough medicine in the market. Price 25c.

KRAMER's leetle band goes mit that excursion up the river on Wednesday next, to keep things harmonious general-

Tumons, erysipelas, mercurial diseases, scrolula, and general debility cured by "Dr. Lindsey's Blood Searcher."
